福岡会場開催中止のお知らせ

Image Forum Festival 2026
Notice of Cancellation of the Fukuoka Venue

本日 10 月 6 日付で発表されました、福岡市総合図書館「映像ホール・シネラ」の休館を受け、12 月 9 日～13 日に同会場で予定していました「イメージフォーラム・フェスティバル 2026」福岡会場の中止を決定いたしました。

We regret to announce that the Image Forum Festival 2026, which was scheduled to take place at the Fukuoka City Public Library's Movie Hall Cine-La from December 9 to 13, will unfortunately not be held as planned. This decision follows today's announcement, October 6, regarding the long-term closure of Movie Hall Cine-La.

According to the announcement dated Oct. 6 (translated from Japanese):

“As a result of a preliminary inspection conducted in preparation for renovation work scheduled for fiscal year 2027, it was discovered that some building materials containing asbestos had been used in part of the ceiling space.

There are no issues with the air quality inside the facility. However, in order to ensure a safe environment for visitors, Movie Hall Cine-La will be closed from October 7, 2026, until further notice, as an interim measure while safety measures, including the removal of the asbestos-containing materials, are carried out.

The reopening date and other details will be announced as soon as they are determined. The library apologizes for any inconvenience and concern this may cause and asks for visitors' understanding.

Please note that air quality testing conducted inside the Movie Hall confirmed that no asbestos fibers were detected.

Air quality testing has also been conducted in areas of the Fukuoka City Public Library other than Movie Hall Cine-La, and these areas remain open as usual.”
